To Whom It May Concern:

It is my great pleasure to write this letter of recommendation for Ms. Anastasiia Nos. As the Product Manager of the Clashot project, I can state with confidence that she is a motivated and responsible person with a mind well-adapted to work in IT sphere.

Miss Nos worked as Clashot Support Manager of the Clashot Department in Depositphotos company from October of 2014 until August of 2015. In her capacity at our project, Anastasiia was responsible for communicating with customers and application users, handling all problems that our users could experience starting with financial issues, ending with technical problems in our application. Her overall responsibility was to enable smooth and efficient cooperation between users and supervisors, and I'm pleased to say that she performed this task with the utmost competence. Besides being a joy to work with, Anastasiia is a take-charge person who is able to present creative ideas and communicate the benefits. She has successfully developed several ideas for our application that were subsequently implemented.

I highly recommend Anastasiia Nos for an employment. She is a team player and would make a great asset to any organization. If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

Mr. Alexey Pedosenko
